

## THE CZ PARTNERS

We nurture global partnerships in all areas of electronic engineering to ensure we have access to the best materials, technologies and infrastructure to support our manufacturing objectives.

### KAON MEDIA

Kaon Media is a technology company - a world market leader in the development and manufacturing of Digital Connectivity devices (including Set-Top boxes) and Residential Gateways for Pay-TV Operators, Broadband Operators and Telcos. We are contributing to the transition from Triple Play to Multi-play with our technology.

### DTI

The Department of Trade and Industry, an entity of the South African government, is responsible for commercial policy and industrial policy. The DTI and its subsidiary agencies are involved in promoting economic development, Black Economic Empowerment, implementing commercial law, promoting and regulating international trade, and consumer protection.

## PLATCO

Platco Digital is an independent distribution company offering digital carriage solutions on various platforms including direct to home (DTH) and Digital Terrestrial Television (DTT). Its main objective is to help free TV broadcasters cost-effectively reach audiences. Platco is a sister company of the South African independent broadcaster e.tv (Pty) Limited.

## BARAK FUND MANAGEMENT

Barak Fund Management has evolved over its seven years of existence into a team comprising twenty investment professionals with vast experience across commodity derivative and physical commodity trading, structured trade and commodity finance and international banking in Africa.

The logo for KAON, featuring the word "KAON" in a bold, sans-serif font with a stylized circular graphic element integrated into the letter "O".The logo for BARAK FUND MANAGEMENT, featuring the word "BARAK" in a large, bold, sans-serif font above the words "FUND MANAGEMENT" in a smaller, all-caps font. A stylized graphic element is positioned to the left of the text.The logo for LATCO, featuring a stylized, curved graphic element above the word "LATCO" in a bold, sans-serif font.
