

LEADERSHIP

Built on a track record for creating exceptional consumer electronics, CZ has formalized its role as an OEM through financial investment, product R&D and detailed market research.

ROB BRUGGEMAN

Rob has been involved in the electronics industry for over 37 years. Having obtained his technical qualifications from WITS Technikon in 1979, Rob began working at Alcatel Altech from 1980. Following 18 years with the company, and having served on the management team for many of those, Rob left the company to form CZ Electronics 1998. Rob furthered his studies in 1994 with a Business Management diploma through WITS Business School. Rob is a founding shareholder in CZ and fulfils the day-to-day role of Chief Operating Officer.

OUPA MAGASHULA

A seasoned Business Executive with over 26 years' experience, Oupa has been employed by Telkom, Nampak, Sun International, SA Breweries and many others. Oupa's qualifications include a Bachelor of Science degree in Oceanography and Chemistry. Oupa's areas of expertise include Human Resources, Strategic Leadership, Tax administration, Industrial Relations, Financial Management and Administration. Oupa joined CZ electronics in 2013 and currently holds the position of Executive Chairman. Oupa is actively engaged in the future growth plans for the company, taking a hands-on approach to the development of sales channels for existing and new products.

CHAREL CRONJE

Charel has more than 20 years financial and commercial management experience in the aviation, insurance, minerals exploration, mining and electronics industries. Charel attained a Bachelors of Commerce through the University of Johannesburg and furthered his qualifications through the Chartered Institute of Management Accounts. Charel's areas of expertise include commercial contract management and negotiation, management accounting, corporate governance, strategic financial management and accounting, local and international tax planning.
